Preventing, reducing and solving crime and ASB

Our team will be holding crime prevention drop in sessions where the community can come along and talk about how to secure, mark and register power tools. We have seen vehicles, sheds and garages targeted where power tools have been stolen. Our team wants to raise the awareness of this issue and help members of the community by offering advice on how to protect their valuable property.

Future dates will be advertised but please visit our web page for full crime prevention advice.
